

Hosted by

Biotech Association of Maine (BAM)

Sponsored by the New England Biotechnology Association (NEBA)

State Legislative Reception Event

March 24th, 4-7 pm

Senator Inn

284 Western Ave, Augusta, ME 04430

In the State Room

Please join us...

to meet and network with BAM members, Biotech supporters and state legislatures.

Commissioner John Richardson of the Department of Economic and Community Development will be giving a brief speech recapping the significant and surprising growth of the Biotechnology Industry here in Maine over the past five years.

Hot hors' d'oeuvres and drinks to be served.

To attend please RSVP to:

Diane Polinski, BAM Administrator
